Message from the Manager

2015 will be another busy year as we continue our mission to not only maintain, but constantly improve your club facilities. There are many capital and major maintenance projects slated to take place this year, several of which are a direct result from member feedback received on surveys. We take this feedback seriously and, though it may take quite some time to plan and budget the projects, are happy to follow through on the effort to enhance your and your guests' experience. Below is a list of, not all, but the key projects you will find most interesting.

Seabrook Island Club's ability to plan and fund these projects is a sign of the financial health of the Club and a testament to the forethought and planning of the Board of Governors and various committees over the years. I hope you are as excited as I am about the future, short and long term, of the Club and of the Island!

Select 2015 Upcoming Projects

- *Replacement of Tennis Court Awnings*
- *Building of One Bay of Two Pickleball Courts*
- *Replacement of Deveaux and Palmetto Room Carpet*
- *Replacement of Palmetto Room and Bohicket Lounge Chairs*
- *Installation of Shade Sail System at Beach Club*
(will fully shade entire beach side concrete "ribbon")
- *100 Additional Pool/Beach Shades*
- *Replacement of Driving Range Fixtures*
- *Replacement of Equestrian Rear Barn*
- *Replacement of Golf Shop Carpeting*
- *Replacement of Sunscreens on Pool Trellises*
- *Redecoration of Seabrook Island Real Estate Lobby*
- *Pelican's Nest Bar Refurbishment*

Real Estate News

Joe Salvo • **Broker-In-Charge**

I love starting the New Year! It's just like the beginning of the baseball season, "everyone's in first place," optimism reigns and "hope springs eternal." There's no better place than Seabrook Island to have that feeling!

Here's to another sign of renewed confidence in Seabrook Island and in the improving real estate market! During 2014 we sold the last of the remaining stock of new construction Salt Marsh Town Homes (*pictured below*). Last week, Salt Marsh at Seabrook, LLC., announced that it has received Planning Commission approval to begin building additional town homes. Construction is expected to begin this month. Do you have friends up North who are finally fed up with the cold weather? Call them now to get in early! Then call your favorite Seabrook Island Real Estate Sales Executive for details.

Here's an interesting statistic at year end! Seabrook Island's inventory of residential property is down to 159. Of these properties 73 are villas, while 87 are single family homes. Including the 99 Home Sites that are currently listed, a total of 259 properties are for sale on Seabrook versus 275 one year ago; 287 at the same time in 2012 and over 300 in 2011.

So we'll end the year about where we planned, including more sales, a higher profit for the Club and a lower inventory. We're continuing to head in the right direction.

Here's to a Happy New Year for all of you, your friends and family and to an ever increasing level of confidence in 2015.

Inside the Grass

Sean P. Hardwick • **Director of Golf Course Maintenance**

As January brings in the New Year, the Golf Maintenance staff will be in the midst of some tried and true practices that we perform each year. During the month we will be pruning the wax myrtles out in the natural area between #14 Ocean Winds and the grand dune by the beach. The wax myrtles get close to 10 feet tall in some instances and they can seriously impede the view that the golfers on Ocean Winds, and the homeowners have of the beach. We are responsible to prune an area that extends 250 yards to the dune and 125 yards wide. It is quite the task and we perform it with a limited crew because the majority of our Hispanic force is away during the early winter months. When completed, the wax myrtles will begin new growth and be back to a full canopy around mid-Fall leaving the the view to be enjoyed for a majority of the year.

Another major task we undertake is the pruning of the palms along the golf course. This job is even bigger than the wax myrtles due the huge number of palms that we have. We will begin the pruning on Ocean Winds with the use of a 40 foot lift and will go hole to hole attempting to prune as many palms as we can get to. The process will take two to three months to complete and will considerably speed up when our H2B workers return. Pruning the palms in the Winter will help us throughout the year by keeping storm debris down to a minimum. Palms are notorious mess makers after storm winds, and can take time to clear away. Ocean Winds takes longer than Crooked Oaks to finish because there are more palms on the front nine.

We will be fertilizing the rye grass areas on the courses during January in order to complete the canopy filling where we have seeded. The fertilizer along with frequent mowing will cause the ryegrass to tiller, or widen, by adding more leaf blades and create a uniform turf surface to play from. Having seeded in October, it isn't until January before you start to see a true consistent playing surface come together after fertilization and decent weather. Finally, we will be solid tine aerating the greens on a weekly basis over the next few months, to keep the putting surfaces drier and reduce the possibility of thinning due to algae. Cold soils do not drain well especially when you add in shaded areas, working to keep these areas dry will help insure healthy turf later in the Spring. We hope you have a great New Year and we will see you on the course!

As we begin the New Year, I'd like to recognize a few positive things that happened in 2014. First, we played our 3rd Annual Wounded Warrior Tournament again during the Veterans Day celebration, and participation and monies raised increased dramatically. Thirty-one teams participated and were joined by nine wounded warriors. Over \$10k was raised for the Wounded Warrior Project and the Ralph Johnson VA. Great camaraderie, some good golf, pizza and beer was enjoyed by all, most who have honorably served our country in various branches of our military.

On every hole during the Wounded Warrior tournament, flags with a yellow tag were displayed like in the picture to the left. Each yellow tag had names of soliders that had died in the War on Terror while serving in Afghanistan or Iraq. Thank you to our military for serving this country!

It is your active involvement, participation, feedback, and work on committees that makes our golf program so successful. Please continue to let me know how we can make your golf experience at the Club more enjoyable. Happy New Year!

MGA Member-Member

The last two major men's events of 2014 were played in November. As always, the MGA Member-Member was hotly contested. Three time former champions, Charlie Heye and Walt Noell were again the team to beat and played very well. Not backing down and playing their best golf, congratulations go to first time champions, Brad Reynolds and Steve Waterfill who beat the runner-up team of Charlie and Walt by 2 strokes.

Member-Member Winners
*Brad Reynolds and
Steve Waterfill*

Match Play Winners
*Henry Devens and
Jerry Farber*

The 8th Annual Men's Match Play Championship began in September and concluded with the championship match on November 22nd. Good friends who had planned dinner together with their wives following the match, Henry Devens and Jerry Farber each won 5 straight matches to arrive in the finals. Playing some great golf when it counted and capturing the first Club Championship of his golfing career, congratulations go to Henry for winning the match 3 & 2.

Rule 14-1b

The year 2015 promises to be a unique year after which the landscape of golf as some know it will change. For those of us who have learned to love putting with an anchored long putter, this will be our last year to do so under the USGA Rules of Golf.

Effective January 1, 2016, Rule 14-1b states in summary "In making a stroke, the player must not anchor the club, either directly or by use of an anchor point." For the record, about 70% of PGA Professionals polled who work hard to make the game more enjoyable and keep people playing, myself included, are opposed to this position. The good news is that we can still use a long putter but it cannot be "anchored."

Happy New Year from the Racquet Club! We have an exciting 2015 winter program schedule for you this season. View it at our website: DiscoverSeabrook.com/tennis.php

A special thank you to Susan Leggett & Maureen O'Berg for organizing a festive morning of fun tennis and an outstanding holiday luncheon.

Winter Weather Challenges

Last winter, by most accounts, was one of our worst ever for weather conditions, and hopefully this year will see more playable days. Shorter days and night temperatures at or below the freezing mark also combine for a different set of court maintenance challenges. In the summer, it is all about how much daily water is needed to keep the courts green and playing well. This month, our challenge is to maintain good court conditions when temperatures do not allow evening watering, which is typically when the bulk of court watering takes place. Night watering sessions are turned off, and watering times are restricted to non peak playing times during the day. Our goal is to balance good court conditions that are also safe to play on and at the same time maximize the amount of playing times for the members. The result, in some cases, may be less available courts, or a court that is a bit more dry than usual, but is safe to play on. Our Facility Supervisor, Robert Terry, is one of the best at maintaining the courts in optimal playing conditions as weather allows. As a reminder, if there has been inclement weather, or temperatures fall around the freezing mark, you may call the pro shop prior to play to check current conditions. If courts are unplayable, you will hear an "inclement weather" message with specific information about the current days conditions. If you call and receive the regular "daily message" that means that the court conditions are playable and all reservations are okay for their scheduled time.

2015 Winter Tennis Program Schedule

Wine & Thensome with Ken Burger,
The Deveaux Room, 5pm

Join us for a reception at 5pm and a speech by Ken Burger at 5:30pm. He will be discussing his new book "Baptized in Sweet Tea: A Collection of Ken Burger's Columns Celebrating the South". No reservations are necessary, seats are first come, first serve. If you would like to stay for dinner after the event, please make a reservation by calling 768.2571.

Ken Burger, award-winning author and columnist, left the newspaper world in July. "Baptized in Sweet Tea" commemorates all that he loves about South Carolina. Accentuated by color photographs that capture Southern culture, this book celebrates our state at its finest.

For the Burger fan or any Southerner at heart, this book is a perfect holiday gift!

"Baptized in Sweet Tea is written with the warmth and wit of a southern storyteller at his best. Ken Burger's collection of columns is filled with unforgettable images, incidents, and people from different aspects of southern culture. I recommend that you sit on the porch with this book and a glass of sweet tea and enjoy every word."

-Mary Alice Monroe, NYT Best-selling author of the "The Butterfly's Daughter" and "Beach House Memories."

Ken Burger is a former columnist for The Post and Courier in Charleston. He is also the author of two novels, "Swallow Savannah" and "Sister Santee", both published by Evening Post Books. He will be signing copies of his book after the event and they can be purchased by member charge.

Golf Pro Shop

Winter started early here on Seabrook Island and we blew through a large amount of outerwear! Our Winter Clearance sale is in progress so you can pick up, (*at greatly reduced prices*), whatever you might still need for the remaining cold days. On another note, the new spring lines have begun to trickle into the shop, so keep your eyes open next time you are in the shop. We have a lot of new shoes styles coming in next month! We added Ecco© to our lines and the response has been very good. If you have never tried a pair on, you really should to experience ultimate comfort.

Racquet Club Pro Shop

As you know, the look of the shop has changed dramatically over the last year. We are trying to focus our merchandise on what we need to carry for our members. The number of lines has been reduced but we will continue with what we feel are the favorites. Please remember, we will always be happy to special order anything that you don't see in the shop. We are actually bringing in more shoes - this is a category we sell very well. We will have shoes from **Adidas**, **Asics**, **Wilson**, and again, we can special order any style that we don't carry. Several of the styles are clay court specific.

Seabrook Shoppe

The Seabrook Shoppe will open again for the season on **Friday, March 20th**. We hope you will come in and see all of the new merchandise!

Equestrian News

This being the first Veranda issue in 2015, we thought it appropriate to share the most significant Equestrian Committee and Management Goals for the coming year:

1. *Create a welcoming environment for equestrian riders and boarders. Improve communications and encourage greater use by Seabrook residents, Club members and guests.*
2. *Oversee the financial operations of the Equestrian Center and provide fiscally responsible leadership.*

The Equestrian team strives each year to generate sufficient revenue to offset our operating expenses and thus minimize the financial burden on Club members. This is only possible if we maximize the revenues we generate from our beach, trail, and pony rides. We thank our riders for a successful 2014 and encourage you to use the Equestrian Center often in 2015. We will be offering monthly specials – please take advantage and enjoy!

Special

Please come join us for a walking beach ride member special, January 15th!

Wedding News

Saturday, October 4th, 2014 was a gorgeous day on Seabrook Island, perfect for the wedding of Lauren Dalpee, daughter of members Ruth and Mike Dalpee, to Rob Culbertson.

With close to 170 guests in attendance, Lauren and Rob had a 5pm wedding ceremony and an oceanfront cocktail hour immediately following. From there, it was dinner and dancing in the Atlantic Ballroom.

Thank you Ruth, for posting on our Facebook page that it was "*a fabulous fairytale Wedding!*"
